

PAPER

Vase

PAPER

Vase

Paper vase containing real flowers in real water!

Paper vase are vases made for your flowers

Simple like a paper bag, you have only to extend it and use it.

They have inside a water proof PP film able to contain water like a real vase.

Paper vase is ready to use, open it, put it on a stable surface,

fill it with water and put in it your favorit flowers.

Use it like a gift together with flowers

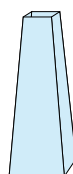

and write your greetings on it.
